

This Key Features document gives you the information you need about investing in the Fundamental AIM IHT Income Portfolio service. This Key Features document is valid for use from 2nd January 2025

### THE SERVICE'S AIMS

An investment service which has the objective of obtaining 100% relief from Inheritance Tax (IHT), the potential for capital appreciation and which is also structured to limit potential loss of capital. In line with the latest Government rules announced in the October Budget 2024.; from April 2026 the relief will be restricted to 50% Inheritance Tax relief.

### OBJECTIVE

To provide long term capital growth and small amount of annual income through investment into qualifying AIM companies which benefit from Business Relief (formerly Business Property Relief) and thereby attract 100% relief from IHT after a qualifying period of 2 years. In line with the latest Government rules announced in the October Budget 2024.; from April 2026 the relief will be restricted to 50% Inheritance Tax relief.

### THE BENEFITS

The Fundamental AIM IHT Growth Portfolio is an effective, proven and non-contentious tax planning method that avoids the costs associated with forming a trust, or the risks associated with gifts. Assets also remain under the control of the holder and can be liquidated at short notice.

The short 2 year qualification period and continual expansion of AIM make it an increasingly compelling tax planning tool.

The Fundamental AIM IHT Growth Portfolio can be held in an ISA wrapper.

### INVESTMENT GUIDELINES

Subject to the size of the portfolio investment will be made in 20-32 qualifying AIM companies covering a broad range of sectors and industries. The objective will be to hold shares for the long term so as to benefit from IHT relief with limited trading, subject to efficient portfolio management and risk control.

### CUSTODY

Securities and cash will be held by our nominated custodian or via a range of IFA wrap platforms including Abrdn (formerly Standard Life) Wrap & Elevate, Fidelity International, Nucleus, Transact, M&G Wealth and others.

### REPORTING

Fundamental Asset Management Ltd (or the Platform provider) provides regular quarterly valuations for each client's portfolio covering performance of the portfolio over the preceding quarter. Fundamental also issues a periodic newsletter expanding on the stories behind some of the holdings, thereby keeping its clients informed on a regular basis.

Clients whose accounts are brokered with Fundamental's online broker will also have internet access to their accounts at all times.

## **CHARGES**

Please see our Remuneration Schedule available on our website or by contacting Fundamental Asset Management Ltd.

## **RISK FACTORS**

Tax legislation could change.

Smaller quoted companies are subject to certain specific risks not associated with larger, more mature companies, notably with regard to liquidity. Accordingly it might be hard to dispose of the shares in the companies at certain times.

The extent of the tax benefits available will depend on the qualifying conditions.
